### THANKSGIVING

Proclamation Issued by Col. J. H. Powell, Mayor of Henderson.

By authority vested in me, as Mayor of an unpretentious little city, I do thus publicly proclaim:

Whereas, in accordance with Christian custom, Thursday, November 24, 1904, hath been set apart as a day of thanksgiving and prayer, I do beseech saints and sinners to go to church and be good. Whether chanting hymns, shooting quail, or sipping delicious poison from the eyes of Beauty, keep innocency, and take heed unto the thing that is right, for that shall bring a man peace at the last. Let us be thankful that our Colonels are not so full of corn as our corn is full of kernels.

Though the surrounding soil, tilled with a hoe, is laughing with a harvest, poor folks are still with us. From this soup and cold potatoes, good Lord deliver them.

Oh, Christian men and women, astonish the stomach of the starving sufferer with oysters, turkey and mince pie. Adorn the ragged with comfortable clothing. An ounce of practice is worth a pound of preaching. Dearly beloved, let us play upon a harp of a thousand strings, a new song of praise. Give thanks unto the Lord for the most charming crop of beautiful babes ever born in the old town since creation dawned, and the morning stars sang together. Sweet, dainty darlings smile on, like sunbeams in shady places; kick up your little heels and make of earth a heaven.

With charity unto all and malice toward none, I do hereunto subscribe my official signature, to the words that have been written this 3rd of November, 1904.

J. H. POWELL,  
Mayor of Henderson, Ky.

### Constipation.

Health is absolutely impossible, if constipation be present. Many serious cases of liver and kidney complaint have sprung from neglected constipation. Such a deplorable condition is unnecessary. There is a cure for it. Herbine will speedily remedy matters. C. A. Lindsay, P. M., Bronson, Fla., writes Feb. 12, 1902: "Having tried Herbine, I find it a fine medicine for constipation." 50c bottle. Sold by R. C. Hardwick.

### ORANGE SHIPMENTS.

Greatest Crop of This Fruit For Years.

The Orange shipments from Florida are opening up in earnest and several carloads pass through Hopkinsville every day. Many of these oranges go to the Chicago markets, as well as to St. Louis and other points for consignment and distribution.

The orange crop in Florida this season is said to be the largest that state has known for years. The fruit is being handled in immense quantities by the railroads, but there is much of it that cannot be shipped. The fruit is said to be of the finest quality this year.

### Cured Consumption.

Mrs. B. W. Evans, Clearwater, Kan., writes: "My husband lay sick for three months. The doctors said that he had quick consumption. We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six years ago. Since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c and \$1.00. Sold by R. C. Hardwick.
